# Design & Manufacturing

We design products that solve, last, and transform the spaces we inhabit.

*Diseñamos productos que resuelven, perduran y transforman los espacios donde vivimos.*

# Local soul, Global reach

Designed and manufactured in Barcelona. Found in public spaces, offices and contract projects across 40+ countries.

*Diseñado y fabricado en Barcelona. Presente en espacios públicos, oficinas y proyectos de contract en más de 40 países.*

# Recycling Solutions

Choose from 16 RAL colors or customize the product to suit your environment.

*Elige entre 16 colores RAL o personaliza el producto para que se adapte a tu entorno.*

# We Are Green

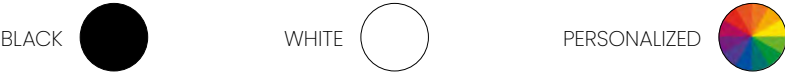

We are committed to responsible design, recyclable materials and sustainable processes. Because every action matters.

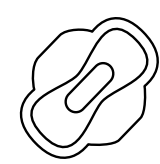

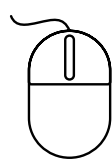

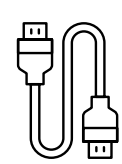

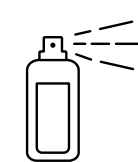

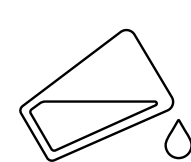

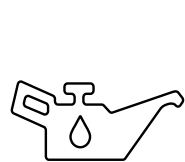

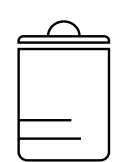

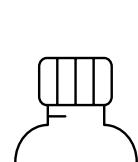

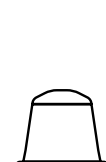

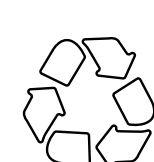

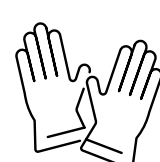

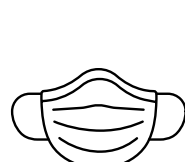

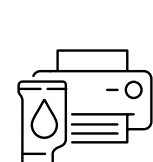

*Nos comprometemos con un diseño responsable, materiales reciclables y procesos sostenibles. Porque cada gesto cuenta.*

A recycling solution with distinctive character, designed to fit stylishly into professional and high-traffic environments. Its lacquered metal structure and removable lid—color and shape coded—clearly define each waste type.

Una solución de reciclaje con carácter propio, diseñada para integrarse con estilo en espacios profesionales y de alto tránsito. Su estructura metálica lacada y su cabezal extraíble, codificado por color y forma, definen claramente cada tipo de residuo.
